

The Episcopal Church welcomes you

# CHURCH OF THE REDEEMER

Church of the Redeemer, an Episcopal Church in Kenmore, Washington, seeks a coordinator to shepherd the re-creation of the children's education program. This is a part time contract position, approximately 5-6 hours per week for one program year, September 2017 through May 2018.

## Primary Responsibilities

- Coordinate the implementation and practice of the [Godly Play curriculum](#) with children ages 3-9.
- Recruit, train, organize, and inspire adult volunteers.
- Lead children's education events on Sunday mornings, with primary responsibility for teaching 3 out of 4 Sundays per month. The schedule to be negotiated.
- Manage communication with parents about Godly Play, youth activities, and other events for children.
- Regularly communicate with parents.
- Be the primary contact and coordinate welcome activities for new families.
- Pray for the children, their families, and the growth of the ministry.

## Desired Qualities

- Enthusiasm and experience working with children and families
- An understanding of children's faith development
- Familiarity with the Godly Play curriculum or Montessori methods
- The ability to adapt programming to fit the needs of the children
- Strong organization and communication skills
- Experience and familiarity with churches in the liturgical tradition, such as the Episcopal Church.
- Creativity and sense of humor

## Details

- Pay will be \$20.00 per hour.
- This position will be a one-year contract, spanning approximately 35 weeks (school year), beginning in August 2017.
- Teaching schedules and time away will be coordinated with, and approved by, the Rector.
- Successful candidate must pass a background check before starting employment and must complete the Safeguarding God's Children training [within a month of hire date](#).

To apply, please send your resume and cover letter by email to [office@redeemer-kenmore.org](mailto:office@redeemer-kenmore.org). Place "Church School Coordinator" in the subject line.

Released: July 27, 2017 (version 1)
